

2013 Annual SPUDs Drive

Scouts! It is time to get moving for the 2013 SPUDS collection Drive. Please review the important information below. Our first meeting has been canceled this year, so that will only leave us with a few weeks to execute this drive after we meet.

- Scouts should start getting people to sign up right away. We've only got a few weeks this year.
- Monday September 30th, all money for the drive must be turned in at the Scout meeting.
- Saturday October 5th, is the pick date. This is a required event, so make sure you get it on your calendar. We will start early in the morning. Picking will last most of the day.
- Backup Rain dates are October 19th and October 26th
- All Scouts must sell at least 25 bags of potatoes
- 50 lb bags are \$15 dollars, ½ bags are \$8 dollars
- Your Patrol Leaders will be emailing you copies of the signup sheets or you can go to the Scotia Glenville Troop 67 web page to print off a copy. You will find it on the Links page.
<http://scotiaglenvilletroop67.com>
- All Scouts are required to attend this function. This is very important.
- All Scouts should try to get any friends or family that they can to come and help pick. This is a long event and many hands make light work.
- If you own or can borrow a truck for the date, that would be very helpful
- Anyone who has a CDL license should contact Steve Parsons at 374-4989
- For any questions, please check with your Patrol Leader or call Steve Parsons at 374-4989

Additional Information

- We do not accept credit cards. Just cash or checks.
- Checks should be made out to Scotia Glenville Boy Scouts Troop 67
- The type of potatoes we pick are Idaho. Very large ones too!
- Any additional Information on the farm can be found at <http://shaulfarms.com>
- We will run a phone tree on the morning we pick. Make sure you get word that we are picking before you travel all the way out there. Last year some people traveled out and we didn't pick because it was too muddy. I would hate to have that happen to anyone. Please double check with your patrol leader that you are on their contact list.
- We will start early on Saturday. We'll probably all meet at the school at about 7:30a and car pool to the site. If you want to travel on your own that is fine too. Check shaulfarms.com for directions. If you don't show up with us, stop at the main stand and ask for our location. We'll try to have some marker at the pull in spot too.
